“Bear in mind that Happiness is the result of:
-a personal faith in God,
-respect for the country of one’s birth or one’s adoption,
-respect for the men and women whose devotion contributed to its establishment and achievement,
- a willing service to family, state, and government,
-gratitude for all the blessings the country offers,
-the protection of the country’s good name.”

From: For the Honor of Our Country
